Join Dr. Marla Shapiro for a webinar discussing... Challenges in the Herpes Zoster Burden of Disease and the Role of Adult Immunization

Event Details

Objectives

The objectives of this program are to:

- Address gaps in awareness of full National/Provincial Recommendations regarding Herpes Zoster (HZ) immunizations
- Share best practices and clinical experience on how to effectively implement the recommendations into practice
- Discuss the importance of vaccination starting at age 50
- Share relevant new data on the burden of disease of HZ and who the at-risk patient is
- Share experiences in increasing adult vaccine uptake applying to HZ specifically

Date & Time

Mar 11, 2020

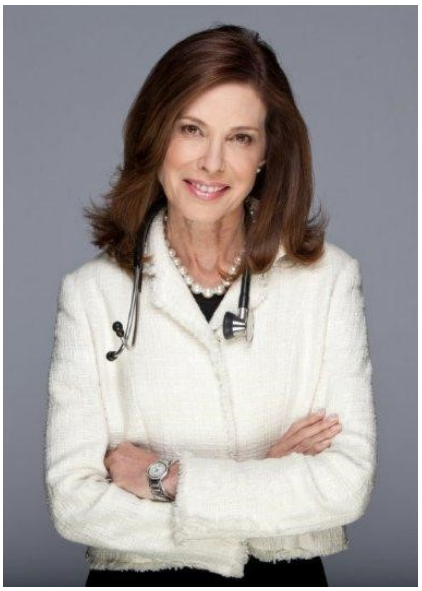
About Dr. Marla Shapiro



Dr. Shapiro completed medical school at McGill University and trained at the University of Toronto for her Masters of Health Science. She concluded her specialty training in Community Medicine, receiving her Fellowship in Preventive Medicine and Public Health from the Royal College of Physicians and Surgeons of Canada. She also holds a Fellowship in Family Medicine and is currently a Professor in the Department of Family and Community Medicine at the University of Toronto.

Dr. Shapiro is seen on CTV NewsChannel and is the medical consultant on CTV's National News. She appears on special assignment for W5, Canada's most-watched investigative news show and has completed several documentaries. She writes a weekly blog for CTV. She is the author of the bestselling book, Life in the Balance: My Journey with Breast Cancer.

Dr. Shapiro is a member of several advisory boards, including Research Canada and the Board of Trustees of the North American Menopause Society. She was the President of the North American Menopause Society in 2017. She received an Award of Excellence from the College of Family Physicians of Canada, and was awarded the Excellence in Creative Professional Activity by the University of Toronto. Dr. Shapiro was also chosen in the top 10 of the 50 most powerful doctors in Canada by the Medical Post.

In 2015 Dr. Shapiro was named a Member of the Order of Canada for her contributions as a family physician and trusted source of health information. One of this country's highest civilian honours, the Order of Canada recognizes outstanding achievement, dedication to the community, and service to the nation.

Funded and organized by GSK. This session is for licensed Physicians, Nurses, Nurse Practitioners, and Pharmacists only. This is not a Continuing Medical Education event and has not been accredited.
