

Breakwater Pharmacy
1604 Portugal Cove Road
Portugal Cove-St Philips , NL
A1m 3G7
Phone: 709 8956500
Fax: 709 8956511
www.breakwaterpharmacy.com

Breakwater Pharmacy has been open since 2011, and we have built our practice by providing the highest level of care to our patients. We have done this by ensuring that we have both the skills, as well as the time to spend with each patient. As our practice has grown we have added more pharmacists, registered technicians, pharmacy students and assistants to ensure that we do not have to compromise on the level of care we provide.

Our commitment to anyone that joins our practice is that they will be given the time, personnel and resources to practice at the peak of their abilities. If you want to have a higher level of control in how you practice as a pharmacist, Breakwater Pharmacy would be the ideal place for you.

Job Description

We are looking to add a pharmacist to our team to help in the day to day provision of care to patients. In collaboration with the pharmacy team, we are also integrated with the Cove Clinic medical clinic. We expect our pharmacists to practice to top of scope, but also encourage individual styles of practice. We will do our best to match daily tasks to areas of interest. More details will be discussed in an interview.

Qualifications

- Licensed to practice pharmacy in NL*
- Injection Certification
- Experience is an asset, but new grads are welcome to apply

*Due to COVID-19 delaying PEBCs, grads from the class of 2020 are still welcome to apply.
