

Pharmacies Participating in COVID Vaccinations

Participating NL pharmacies are now administering the Moderna vaccine to residents 18 years and older. AstraZeneca may also be available upon request.

Residents may receive their first and/or second dose at a community pharmacy. Individuals who received AstraZeneca, Moderna or Pfizer for their first dose can safely receive Moderna for their second dose as per direction of the Chief Medical Office of Health.

Below is a list of participating pharmacies.

A few things to remember:

Before you arrive at the pharmacy:

- Appointments are required. Please do not show up at the pharmacy without an appointment or make appointments at more than one pharmacy as this will result in vaccine wastage.
- A valid MCP number is required to receive the vaccine.
- Be sure to arrive wearing a mask and be prepared to adhere to Public Health restrictions related to physical distancing and occupancy limitations.
