

Commonwealth

Commonwealth Pharmasave

50 Commonwealth Ave, Mount Pearl

Full time or Part time staff pharmacist position available

We are presently seeking a self-motivated, enthusiastic pharmacist to join our dynamic team and become part of our unique collaborative practice. We are a patient centered pharmacy that prides ourselves on exceptional customer service, with a strong focus on health and community involvement. If you are a pharmacist who has a passion for wellness and a desire to help evolve the pharmacy profession, then we would love to hear from you!

This opportunity provides:

- no evening shifts, one weekend rotation of 4 hours on Saturday every 2-3 weeks
- competitive salary and benefits
- opportunity to collaborate with physicians and other health care professionals
- all license fees and liability insurance covered
- professional development allowance
- excellent work-life balance

Qualifications:

- licensed to practice in NL and in good standing with NLPB
- an excellent communicator with great interpersonal skills
- self-motivated, goal driven, career focused professional
- have interest in developing specialty areas of practice, and patient focused programs
- injection certified
- OAMT certified
- experience with Kroll pharmacy software would be an asset

If interested, please forward your resume to Andrea at abuckle@commonwealthpharmasave.ca
