

A fantastic Pharmacy leadership opportunity is opening in Bay Bulls! Medicine Corner Pharmacy is currently seeking a full time Pharmacist to join our team with a very flexible start date anytime between June-August 2022.

We are a locally owned and operated Pharmacy in scenic Bay Bulls - just 15 minutes from the city limits. If you want to escape the big box or corporate store mindset, then independent stores are the way to go. We are currently expanding to be able to offer more professional services in our pharmacy and would love to find a motivated pharmacist with new ideas to help us do so!

Since opening in 2009, we have grown and maintained a large loyal customer base. We operate in a smaller dispensary with just the essential OTCs in our front store. Our pharmacists believe it is important to build and maintain a personal relationship with every one of our customers. Work in a well-established pharmacy that offers a supportive team and regular engagement with doctors in the adjoining clinic. Based on the strong relationship between the doctors and the pharmacy, there is an eagerness to collaborate even further to support patient care.

We are offering a position that would allow you to work in a relaxed environment with exceptional assistant support. We can offer a flexible working schedule - ie. Work an average of 35-40 hours per week or take the option of doing 1 week on, 1 week off. We are proud to say we can offer an

above average hourly wage and vacation entitlement. Also, you can expect a comprehensive group benefits program and coverage of professional fees and insurance.
