

**Registered Pharmacy Technician/Pharmacy Assistant
Maternity Position
166 Main Street, Flowers Cove, NL
(709) 456-2200**

Consumers PharmaChoice located in Flowers Cove, NL is seeking a Registered Pharmacy Technician or Pharmacy Assistant to cover a maternity leave position anticipated to begin in June 2024. This position will last at least one year with possibility of extension.

At Consumers PharmaChoice we offer:

- Competitive salary and benefits
- 2 weeks paid vacation per year
- 6 paid sick days per year
- Assistance with accommodations if required
- Monday - Friday 9:00 am - 6:00 pm with 1 hour closed lunch break

About the role:

As a Registered Pharmacy Technician or Pharmacy Assistant you will play a key role in ensuring our patients receive the best possible care while working alongside a Pharmacist and a Pharmacy Assistant. You will perform a variety of tasks, including:

- Ensuring prescriptions are complete and authentic;
- Processing and preparing prescriptions;
- Communicating with patients by answering questions, offering information about services provided, providing cashier services and referring the patient to the pharmacist when necessary;
- Managing dispensary inventory by ordering and receiving stock, monitoring expiry dates and returning outdated stock;
- Assisting with filing of prescriptions and other administrative duties.

In addition to the above tasks, a Registered Pharmacy Technician would have ample opportunity to practice to their full scope of practice by transferring and receiving prescriptions, receiving verbal orders, ensuring the accuracy and conducting the final check of prepared prescriptions, and communicating with patients by counseling on the use of medical devices or providing other information within their scope.

To Apply:

If interested please forward your resume to Katie White by email at c.pharmachoice@gmail.com. If you have any questions or require further information please contact Katie at (709) 456-6776 or (709) 456-2200, or at the email provided.
